

"CRT-8" EXTRACT RECORD LAYOUT

RECORD FORMAT:

POS 1-12	TEST-ID	(Identifies this test.)
		(You will find a list of the tests that were)
		(given by your District at the bottom of the)
		(document.)
POS 13-20	PROCESS DATE	(Format YYYYMMDD - Date this test was scored.)
POS 21-24	SCHOOL YEAR	(Format YYYY.)
POS 25-26	DISTRICT NUMBER	
POS 27	DISTRICT AREA	(Blank on District summary records.)
POS 28-30	SCHOOL NUMBER	("000" on Area and District summary records.)
POS 31-36	CLASS IDENTIFIER	("000000" on School, Area and District)
		(summary records.)
POS 37	RECORD TYPE	('A' - STUDENT DETAIL RECORD)
		('C' - CLASS SUMMARY RECORD)
		('S' - SCHOOL SUMMARY RECORD)
		('R' - AREA SUMMARY RECORD)
		('D' - DISTRICT SUMMARY RECORD)
POS 38-47	STUDENT NUMBER	("0000000000" on summary records.)
POS 48-61	STUDENT LAST NAME	(Student last name (On summary records)
		(the 24 positions of)
POS 62-70	STUDENT FIRST NAME	(Student first name (the student name)
		(will contain the)
		(Teacher, School,)
		(Area, or District)
POS 71	STUDENT INITIAL	(Student middle initial (name)
		()
POS 72-79	STUDENT BIRTHDATE	(Contains the Student Birthdate as YYYYMMDD)
POS 80-81	STUDENT GRADE LEVEL	('00' on Summary records)
POS 82	STUDENT GENDER	('F' - FEMALE)
		('M' - MALE)
POS 83	STUDENT ETHNICITY	('A' - ASIAN)
		('B' - BLACK)
		('C' - WHITE)
		('H' - HISPANIC)
		('I' - AMERICAN INDIAN)
		('P' - PACIFIC ISLANDER)

POS 84	LEP CODE	(Available only if it was provided on your) (pre-print file.) ('A' - Non-English proficient in speaking,) (reading and writing.) ('B' - Limited English proficient in) (speaking, reading and writing.) ('C' - Fluent in one of the language) (modalities and limited in one or) (more.) ('D' - Monitored student for 2 years for) (English proficiency and application.) ('E' - Former LEP student who is fully) (proficient in English speaking,) (reading and writing and has been) (exited from an alternative language) (services program and fully) (functioning in the mainstream, or a) (student who speaks a language other) (than English and following assessment) (did not qualify as LEP.) (Blank- All others (not an LEP student))
POS 85	MIGRANT STUDENT	(Available only if it was provided on your) (pre-print file.) ('Y' - Migrant Student)
POS 86	SPECIAL ED. STUDENT	(Available only if it was provided on) (your pre-print file.) ('Y' - Special Ed. Student)
POS 87	LOW INCOME STUDENT	(Available only if it was provided on) (your pre-print file.) ('Y' - Low Income Student)
POS 88-93	STUDENT COUNT	('000000' on Student Records.)
POS 94-95	CONCEPT COUNT	(Contains the number of concept scores) (stored in the following tables. The) (concept scores are in the same sequence as) (they appear on the student assessment) (profile. Titles for each of the concepts) (can be found at the bottom of this document.)
POS 96-170	CONCEPT RESPONSE COUNT	(<<<< 25 ENTRY TABLE >>>>) (-- 3 Digit Counters --) (Contains the total number of questions that) (were responded to for each of the concepts.) (On Summary records, these counters contain) (the total number of questions that appear) (in each of the concepts.)
POS 171-270	CONCEPT SCORES	(<<<< 25 ENTRY TABLE >>>>) (-- 4 Digit Counters --) (Contains the total number correct for each) (concept.) (Note: On summary records, these are average) (scores rounded to the nearest 10th.) (There is an implied decimal between) (the 3rd & 4th digit.)
POS 271-345	CONCEPT PERCENTAGE SCORES	(<<<< 25 ENTRY TABLE >>>>) (-- 3 Digit Counters --) (Contains the percent correct for each) (concept. On summary records, the) (percentages are computed from average) (scores.)

```

POS 346-347  OBJECTIVE COUNT ( Contains the number of objective scores      )
                                     ( stored in the following tables.  The      )
                                     ( objective scores are in the same sequence as)
                                     ( they appear on the student assessment      )
                                     ( profile.  Titles for each of the objectives )
                                     ( can be found at the bottom of this document.)

POS 348-427  OBJECTIVE        (          <<<< 40 ENTRY TABLE >>>>          )
              CONCEPT ID    (          -- 2 Digit Counters  --          )
                                     ( Contains the objective's concept id.  This  )
                                     ( id links the objective to a concept.  The  )
                                     ( objective concept id's are in the same      )
                                     ( sequence as they appear on the student      )
                                     ( assessment profile, i.e., objective concept )
                                     ( id '01' is the first concept listed, '02'   )
                                     ( is the second concept listed, etc.          )
                                     (                                          )
                                     ( If an objective concept id is spaces on the )
                                     ( extract file, this indicates that the      )
                                     ( concept has less than five questions and is )
                                     ( a "stand alone concept" that is not reported)
                                     ( on the assessment profile report.  An      )
                                     ( example of this is found on test ES0909R   )
                                     ( for concept id '09'.                      )

POS 428-507  OBJECTIVE        (          <<<< 40 ENTRY TABLE >>>>          )
              OBJECTIVE ID    (          -- 2 Digit Counters  --          )
                                     ( Contains the objective's, objective id.    )
                                     ( The objective id's are in the same          )
                                     ( sequence as they appear on the student      )
                                     ( assessment profile.                        )
                                     (                                          )
                                     ( The objective id's with values of '00' are  )
                                     ( sums of the non zero objective id's that   )
                                     ( follow them in sequence.  For example in   )
                                     ( test ES0909R, concept id '01' has objective )
                                     ( id's '00', '01', '02' and '03'.  likewise, )
                                     ( concept id '02' has objective id's '00',    )
                                     ( '04', '05' and '06'.  Finally, concept id   )
                                     ( '08' has objective id's '00', '17' and '18'. )
                                     (                                          )
                                     ( If an objective id is blank or spaces on the)
                                     ( extract file, this is because the concept id)
                                     ( for this objective is a "stand alone      )
                                     ( concept" as explained above for the      )
                                     ( objective concept id and is not reported on )
                                     ( the assessment profile.                    )

POS 508-627  OBJECTIVE        (          <<<< 40 ENTRY TABLE >>>>          )
              RESPONSE        (          -- 3 Digit Counters  --          )
              COUNT           ( Contains the total number questions that   )
                                     ( were responded to for each of the          )
                                     ( objectives.  These counters are not reported)
                                     ( on Summary records.                        )
                                     (                                          )
                                     ( If an objective response count is blank or  )
                                     ( spaces on the extract file, this is because )
                                     ( the concept id for this objective is a      )
                                     ( "stand alone concept" as explained above for)
                                     ( the objective concept id and is not reported)
                                     ( on the assessment profile.                  )

POS 628-787  OBJECTIVE          (          <<<< 40 ENTRY TABLE >>>>          )
              SCORES           (          -- 4 Digit Counters --          )
              ( Contains the total number correct for each )
              ( objective. )
              ( Note: On summary records, these are average )
              ( scores rounded to the nearest 10th. )
              ( There is an implied decimal between )
              ( the 3rd & 4th digit. )
              ( )
              ( If an objective score is blank or spaces on )
              ( the extract file, this is because the )
              ( concept id for this objective is a )
              ( "stand alone concept" as explained above for )
              ( the objective concept id and is not reported )
              ( on the assessment profile. )

POS 788-791  TOTAL OVERALL TEST SCORE ( Total correct for the entire test. )
              ( Note: On summary records, these are )
              ( average scores rounded to the )
              ( nearest 10th. There is an implied )
              ( decimal between the 3rd & 4th digit. )

POS 792-794  TOTAL OVERALL POSSIBLE  ( Total possible for the entire test. )

POS 795-797  OVERALL PERCENTAGE SCORE ( Percent correct for the entire test. )
              ( On summary records, the percentages are )
              ( computed from average scores. )

POS 798-800  OVERALL RESPONSE COUNT  ( Contains the total number of )
              ( questions that were responded to for the )
              ( overall test. On summary records, this )
              ( field is zero. )

POS 801-950  INDIVIDUAL RESPONSES  ( Blank on Summary Records. )

POS 951-956  BLANK

POS 957      PARTICIPATION CODE  ( ' ' - Standard participation )
              ( '1' - Accommodated (IEP/LEP Team) )
              ( '2' - Modified (IEP Team) )
              ( '4' - UT Alternate Assessment (IEP Team) )
              ( '9' - Multiple bubbled )

POS 958      NON-PARTICIPATION  ( ' ' - Participated )
              CODE              ( '1' - Absent - Unable to make-up test )
              ( '2' - Excused - Special circumstances or )
              ( LEP (first year only) )
              ( '3' - Unknown Student )
              ( '4' - Withdrawn from school )
              ( '9' - Multiple bubbled )

POS 959-961  PILOT FORM ID      ( 959 & 960 - Grade Level )
              ( 961 - Form letter )

POS 962-971  STATEWIDE ID      ( Student's STATEWIDE STUDENT IDENTIFIER )

POS 972      ELL 1ST YEAR IN US ( BLANK or 'Y' )
              BEFORE APRIL 15

POS 973-1150 BLANK

```
